Date Received By Legal Office:	April 29, 2011

Program Contact:	Marion Montez
Plaintiff(s):	Daniel Francis, a CalPERS retiree and taxpayer
Defendant(s):	CalPERS, Anne Stausboll and Rob Feckner
Other Parties:	None
Issues/Status:	The taxpayer plaintiff is alleging a waste of public funds because CalPERS has granted service credit to Clark Kelso, the Federal Healthcare Receiver for the Department of Corrections and Rehabilitation, for time served in that position. The petition for writ of mandate seeks an order disallowing Mr. Kelso's membership in CalPERS during the time he is the federal receiver.
